

### Boarding Student Permission Form

Student's Name: \_\_\_\_\_ Grade: \_\_\_\_\_

Parental and student cooperation are essential if the school is to provide proper oversight of its students. This form is used by the school to honor overnight permissions and driving privileges that have been discussed by students and parents. The student must adhere to these agreed upon expectations and properly use the sign out system.

**OVERNIGHT PERMISSIONS** *(Please check one.)*

- The school will need my specific permission each time my son/daughter visits the home of another Lancaster Mennonite student overnight.
- The school will need my specific permission each time my son/daughter visits the home of another Lancaster Mennonite student overnight except for the following student(s) listed here:  
\_\_\_\_\_
- The school does not have to get my specific permission each time my son/daughter visits the home of another Lancaster Mennonite student overnight.

*Note: Before a student leaves campus for an overnight visit, the Graybill Hall office must receive two critical pieces of information: 1) permission from the student's own parent as described above; and 2) word from an adult host present at the destination who agrees to take responsibility for the student for the duration of the student's time away from the school.*

**DRIVING PERMISSIONS** Before a student rides with someone other than a Lancaster Mennonite parent/guardian, faculty or staff member, he/she must obtain permission from a Residence Hall advisor. Residence Hall advisors will honor the permissions below. *(Please check one.)*

- My son/daughter needs my specific permission to ride in a car, with the exception of faculty, staff members, relatives, Lancaster Mennonite parents/guardians, or others as designated by the School.
- My son/daughter may ride in a car only with the people listed below; otherwise he/she needs my specific permission, with the exception of faculty, staff members, relatives, Lancaster Mennonite parents/guardians, or others as designated by the school.  
\_\_\_\_\_
- My son/daughter does not need my specific permission to ride in a car.

**OTHER PERMISSIONS**

- My son/daughter may participate in day or overnight off-campus, school chaperoned activities such as class field trips and class activities without my specific permission.

Parents should discuss their expectations for when their son/daughter signs out to go off campus. While it is the student's responsibility to inform the school of his/her travel plans through proper use of the sign out system, it should be understood that the school cannot realistically supervise where a student actually travels during times when students are allowed to sign out to leave campus.
