PARENT/STUDENT COVENANT WITH LMS

We understand that being a part of LMS is a privilege and responsibility. We covenant along with the school to:

1. Consider the school community to be a group of persons led together by God. This realization will affect the way we treat others and the way we open ourselves to learn from them.
2. Help to make LMS a better place because we are part of the school community.
3. Share the responsibility for learning and decision making.
4. Be supportive of the school's standards and disciplinary procedures. We recognize the right of the school to dismiss any student or dissolve the relationship with any parent who does not cooperate satisfactorily or remain supportive of the school, its standards and its disciplinary procedures.
5. Be open to growing academically, physically, socially, emotionally, and spiritually, as church, school and home partner together. We understand that, as part of the partnership, the school may at times confer with our pastor.
6. Support the school with finances and prayer.
7. Take advantage of appropriate channels for dialogue.
