

Dear friend of Lancaster Mennonite School:

I hope you can join us for the LMS Golf Tournament which will benefit students at our four campuses—Kraybill, Lancaster, Locust Grove, and New Danville.

We envision this tournament being a day of fun and fellowship as we celebrate and support an LMS education that puts faith into the future. Your partnership empowers us in this most important mission.

Thank you for participating in this tournament and for the many ways you support and invest in our students. We pray God's blessing on you and your family.

Shalom!

J. Richard Thomas  
Superintendent
