About the Camp

The coaches and players of LM Hershey Campus Basketball are excited to be hosting our 5th annual Youth Basketball Summer Camp. (Camp is open to all players entering grades 3-8 for the 2017-2018 school year.) The week will include a blend of instruction and competition: allowing our future players and others to hone their skills, enjoy time with friends and experience what it takes to become a successful basketball player.

We expect our campers to have a positive attitude and work hard all week long. Campers will be learning new skills each day so it will be important for them to sprint everywhere and listen carefully to their coaches and instructors.

I am so proud to host this annual basketball camp at the Hershey Campus of Lancaster Mennonite School. Let's keep the great basketball tradition at the Hershey Campus going by working hard to make our future teams successful.

GO BLAZERS!
