# Lancaster Mennonite High School Family Handbook

Lancaster Mennonite (LM) offers a PreK-12 comprehensive education in a nurturing and diverse environment that prepares students to be lifelong learners. Centered in Christ and committed to educational excellence in a community setting, the school exists to transform students so they can change our world through Christ-like love, peacemaking and service.

LM is an agency of the Mennonite Education Agency of Mennonite Church USA. LM is an Atlantic Coast conference and LMC (A Fellowship of Anabaptist Churches) related ministry. As a Mennonite school, we follow the *Confession of Faith in a Mennonite Perspective* and the Anabaptist/Mennonite interpretations of Scripture. The school teaches the doctrines of peace, nonresistance, restorative practice, service and love for all persons as taught by Jesus.

Welcome to Lancaster Mennonite High School. Lancaster Mennonite School offers a PreK-12 comprehensive education in a nurturing and diverse environment that prepares students to be lifelong learners. Centered in Christ and committed to education excellence in a community setting, the school exists to transform students so they can change our world through Christ-like love, peacemaking and service.

School standards and expectations are established to guide our life together. While persons may have different opinions about nearly all of the standards, a common understanding is needed to live and work together as a school. One of the purposes of this handbook is to communicate standards and expectations. This handbook is not a comprehensive listing of school expectations and policies, but rather a general summary for your convenience. Not all situations are addressed. In addition to school-wide, teachers will establish specific standards in their classroom. The following habits are what guide are life together as a school community. These habits are built into the culture of our school and are also integrated into our discipline plan.

### **Parent/Student Covenant with the School**

We understand that being part of Lancaster Mennonite School is both a privilege and a responsibility. We partner with the school to:

- Support the mission of the school as it seeks to prepare students to follow in the way of Jesus, transform lives and change our world.
- Honor the community, recognizing that all members are children of God.
- Value and respect all people regardless of age, gender, race, ethnicity and nationality.
- Be active participants in the educational process, striving for excellence in every aspect of campus life.
- Uphold the policies and expectations of LMS, recognizing the right of the school to dismiss any student or dissolve the relationship with any parent who does not cooperate with, or remain supportive of, the school and its disciplinary procedures.
- Fulfill our financial obligations in a timely manner.
- Support the school through volunteerism, finances and prayer.

### **Parent-School Communication**

- Good communication between home and school is an integral component of effective education.
- Schoology is the primary source of communication between students, families, and teachers as grades, schedules, and classroom communication is posted there.
- System and Campus E-Links are used for monthly information from the system office, campus office and the guidance department. Schoology is also used for email messages.
- Parent-Teacher conferences are scheduled in the fall and the spring using an online sign-up platform or can be scheduled with an e-mail or phone call to our guidance department.
- When a student needs to be absent from school, please call our attendance line to let us know of their absence.

- At times concerns in classrooms may arise. In the spirit of Christian love and respect, we ask you to address the problem first with the teacher and then, if after consulting with the teacher, you believe that the matter needs further attention, consult the principal or assistant principal.

We further understand that Lancaster Mennonite School has the right to suspend or terminate the enrollment of a student for reasons set forth in Handbook, Code of Conduct or other published documents; for reasons that the Superintendent, within his or her discretion, considers to be detrimental to Lancaster Mennonite School, the student or to other students; or for failure to pay tuition and fees.

## **Attendance Policy**

- **School Day**  
Classes begin at 8:15 a.m. and end at 3:05 p.m. The main lobby doors open at 7:45 a.m. Students should be in their classrooms by 8:10.
- **Excused Absences**  
A maximum of 15 days of cumulative excused absences with parental/caregiver notification are permitted during a school year. Parents/caregivers must notify the school of their child's absence and the reason in writing or by emailing the campus office. Absences are considered unexcused until acceptable notification is received. If notification is not received within five days after the student returns to school the absence will be unexcused.
- **If students miss more than 20% of any given class, credit will not be earned. This may be appealed to administration, hospitalizations, doctor excused illnesses or other exceptions may apply.**

All absences beyond 15 days (excluding absences excused by a physician) require documentation from a physician in order to be excused.

In accordance with Pennsylvania School Code, LM considers the following reasonable causes for absence from school with proper documentation:

- **Illness:** Administration may require a physician's note when absence is excessive.
- **College Visits:** Juniors and Seniors can take up to three days to visit colleges/universities per year. College trip forms must be completed and turned in to the office at least five days prior to the day of visitation.
- **Educational Trips and International Home Visits:** Trips require written parent/caregiver request and completion of an Educational Trip Form and prior approval. Educational Trip Forms must be turned in to the office at least five days in advance of the trip. These forms can be found online or in the school office. A maximum of seven days will be excused.
- **Observation of a Religious Holiday:** Requires written parent/caregiver request and prior approval.

- **Death in the Family**
- **Administrative Discretion**
- **Unexcused Absences**  
Any absence not included in the above list is considered unexcused. LM does not give a penalty for the first two unexcused absences during the school year. Each additional unexcused day results in a point deduction from the quarter grade in each course. Absences are unexcused until proper notification is received.  
  
**\*Seniors who have fulfilled the academic requirements for graduation but fail to meet the minimum attendance requirements will be allowed to participate in commencement; however, these students will not receive a diploma until make-up days are completed.**
- **Tardies**  
A tardy is arrival to school after the start of the school day but before 3<sup>rd</sup> period. Arrival after 10 a.m. will be counted as a half-day absence. Tardies are excused using the same criteria as absences. Students are permitted three unexcused tardies per year without penalty. After 3 unexcused tardies, students will receive an afterschool detention and after each additional two tardies, students will be charged with a half-day unexcused absence. **If students miss more than 20% of any given class, credit will not be earned.**
- **Early Dismissal**  
Students must have written parent/caregiver permission to leave school prior to dismissal. Students leaving more than two hours early will be charged a half-day absence.
- **PIAA Attendance Policy**  
Per PIAA policy, if a student athlete is absent from school during a semester for a total of 20 or more school days, the student will lose eligibility until the student athlete attends school for a total of 45 school days following the 20<sup>th</sup> day of absence.  
  
**In order to participate in an afterschool activity, LM requires all students to arrive for the school day no later than 10 a.m. Students who arrive after this time will not be permitted to participate in the day's scheduled practice or competition.** Prior made medical and legal appointments may be an exception.
- **Notification of Excessive Absence**
  - **Official First Notice:** When a student has accumulated three unexcused absence (current school year), the state views this as truant behavior. A written notification is sent home. If the student continues to accumulate unexcused days, a Truancy Mediation Conference will be held to develop an Attendance Improvement Plan.
  - **Habitually Truant Status:** Under Pennsylvania law, if a student accumulates six unexcused absences during the course of a school year, the school must identify

the student as “habitually truant” and the school must take further action immediately based upon the age of the student:

- For students under the age of 15: Truancy Mediation Conference and Attendance Improvement Plan, a referral to Lancaster County Children and Youth Agency and may include truancy citations. As a private school, LM reserves the right to require withdraw from school or proceed with expulsion due to excessive absence.
  - For students under the age of 18: Truancy Mediation Conference and Attendance Improvement Plan, truancy citations, and may include a referral to Lancaster County Children and Youth Agency. As a private school, LM reserves the right to require withdraw from school or proceed with expulsion due to excessive absence.
- **10-Day Letter:** Notification that a student has accrued 10 absences during the current school year. This letter is for information only.
  - **15-Day Letter:** Notification that a student has accrued 15 absences during the current school year that were not excused by a physician. All subsequent absences require a doctor’s note in order to be excused.

## General

**Emergency School Closings.** Information about weather-related emergency school closings will be posted on the school website [www.lancastermennonite.org](http://www.lancastermennonite.org), Facebook page and on Schoology. Information is also available on these radio and TV stations: WJTL (90.3), WDAC (94.5), WITF (89.5), WGAL (Channel 8), FOX 43.

## LM Flexible Instructional Day (FID) Plan

In order to improve the predictability of the school calendar and eliminate the need for make-up days throughout the spring and into June, LM is introducing a Flexible Instructional Day (FID) Plan. FIDs allow academic work to be completed at home when inclement weather requires closing the school building. FIDs will be counted as a school day. LM will use up to five FIDs per school year.

- All teachers will post assignments on Schoology by 9:00 a.m. Each assignment should require approximately 30 minutes of time. Teachers may give additional homework as appropriate.
- Due dates and times will be posted by the teacher on Schoology. Assignments will be due no earlier than 4:00 p.m. on the FID.
- Teachers will check their email and Schoology accounts regularly throughout the day and be available for questions until 3:05 p.m.
- Students without internet or device access should inform their teachers in advance and will be given a one-day extension for their assignments.

## Chapel

A gathering of the school community is scheduled most school days. Students are expected to be seated in their assigned seats when the bell sounds at the start of the period. To maintain an atmosphere of respect and courtesy, students should avoid sleeping, slouching, propping

feet on the benches and working on class assignments. The use of cellphones and other electronic devices is prohibited.

### **Lunch**

Dining service is available during lunch periods. Students are also welcome to bring their own lunch to the cafeteria. During the lunch period, students must remain in the dining hall or gathering area.

### **Driving to School**

Student drivers may park in any campus parking lot. All cars must be parked in designated parking spaces. Drivers of cars not parked in a designated parking space may be fined or towed at the driver's expense. Costs could exceed \$75. Students are not to be in their cars or the parking lot during the school day. *The campus speed limit is 5 miles per hour. The school is not liable for damage to any vehicles brought on campus.*

### **Eligibility Requirements**

Eligibility requirements apply to all extracurricular activities. Participation in these activities is a privilege and requires a satisfactory academic and conduct report.

- Academic eligibility is determined weekly and at the end of each quarter. Two or more failing grades at the end of a week results in ineligibility for the next week. Two or more failing grades at the end of a quarter results in a 20-day ineligibility beginning with the day of report card distribution.
- Normally students receive one week of ineligibility for each day of school suspension for discipline reasons. An unsatisfactory conduct record at the end of a quarter or the accumulation of unsatisfactory activities may result in a time of ineligibility. Students who are ineligible or in suspension may not practice or play with the team.
- Students participating in a co-curricular activity must sign a substance abuse policy that is in effect for the entire school year and during the summer when involved with a school activity.

Each co-curricular activity may develop additional policies specific to the activity.

### **Report Cards**

Lancaster Mennonite uses Schoology to provide information regarding our students' progress. Parents will receive a code via email that grants them access to Schoology. A separate code will be issued for each child in a family. A parent can also contact the front office to obtain these codes. Instructions are available at [www.lancastermennonite.org/schoology](http://www.lancastermennonite.org/schoology).

The following percentages are used in assigning grades:

A	Superior	90-100
B	Good	80-89
C	Average	70-79
D	Below Average	60-69

An incomplete grade is given only for emergency reasons approved in advance by the teacher and the school counselor.

## **Schedule or Course Changes**

Dropping or adding courses after the opening of school will be made only for significant reasons and with permission of parents, teachers, and a school counselor. No student may drop any course after the first two weeks of the semester (one week for a double-period course) except for urgent health reasons. In such cases, the students will not receive credit for the dropped course(s). A WP (withdrawn passing) or WF (withdrawn failing) will be entered on the record, based on whether the student was passing or failing at the time of withdrawal.

## **Homework/Assignments**

### **Assignments**

Assignments are given in class with some class time devoted to them. At times, students may need additional time to complete those assignments outside of class. The school's intent is that the amount of time needed outside of class is minimal. Assignments can be found online in Schoology.

Students are given time during the week to read independently and are guided in choosing what to read.

### **Purpose of Assignments**

- Encourage students to develop clear and meaningful communication through writing and speaking.
- Encourage problem solving, critical thinking, and creativity.
- Promote learning for a lifetime.
- Stimulate interest beyond the curriculum.
- Develop responsibility and self-discipline.
- Reinforce and refine fundamental skills

### **Teachers' Responsibility**

- Establish and communicate a clear purpose for assignments in regard to student learning.
- Explain how to do the assignment, include good examples.
- Communicate clear expectations for each assignment. Check for understanding.
- Assign developmentally appropriate assignments that are not busy work.
- Make sure students fully understand the concepts and possess the skills needed to complete assignments.
- Structure assignments in such a way that students can accomplish them with relatively high success rates.
- Differentiate assignments as needed.
- Give feedback promptly.
- Discuss assignments and timetable among faculty to establish balance of assignments.
- Avoid using homework as a punishment.
- To help decrease demands on students at the end of a semester, faculty will follow the below guidelines for testing and will communicate this to students. These guidelines are in effect the last week of a semester and before major holidays.

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
Ag/Tech/FACS	Math/Business	Ag/Tech/FACS	SS/Bible	English
Music/Art	SS/Bible	English	Math/Business	World Lang
Health	World Lang	Science	Music/Art	Science
			Health	

### **Students' Responsibility:**

- Have a system to track assignments.
- Be sure all assignments are clear; don't be afraid to ask questions if necessary.
- Set aside a regular time to read and study.
- Find a quiet, well-lit study area free of electronics/social media.
- Understand when an assignment is expected to be individual or group effort.
- Produce quality work.
- Make sure assignments are done according to the given instructions and completed on time.

### **Parents Suggestions:**

- Encourage your student(s) to set a regular, uninterrupted reading/study time each day.
- Encourage your student(s) to establish a quiet, well-lit study area with necessary supplies.
- Monitor the amount of time spent on assignments at home and communicate to the teacher if the amount of school work done at home disrupts family time or if the student is discouraged.
- Be supportive to the student.
- Maintain a balance between student ownership of work and parental involvement so that the student accepts responsibility.

At times students do not have a home environment that lends itself to completion of assignments started in school. Teachers and administrators need to be sensitive to situations like this and process possible means for students to be successful, such as a directed study hall or after school opportunity.

### **Guidelines**

Encourage students to continue reading independently. Also, encourage cultural awareness, discussions of current issues or events, creative writing, and consistent math homework. (Limit homework 1 to 1 ½ hours on average per evening. This will vary by student preference but should be monitored so that the student is experiencing a balanced life. AP courses may require additional time.)

### **Discrimination, Harassment and Bullying**

### **Expected Conduct and Understandings of Discipline**

**Restorative Discipline, Suspension and Expulsion.** As an Anabaptist-Christian community, LMMS is committed to fostering and nurturing a culture of peace, safety, respect, mutual accountability, and trust. When students engage in behavior that damages or threatens to harm

our community, our first response must be to ensure the safety of our students and staff. Violence, whether physical or verbal, is not tolerated. We understand violence to include any behaviors, verbal, non-verbal, that cause another person to feel threatened or unsafe. Those who engage in violent behavior are separated from the school community while the situation is processed by the administration.

Our goal is to build a positive learning community with conduct that enhances the educational process. LMS expects students to develop self-regulation and build positive relationships with others. Teachers respond appropriately when school standards and expectations are violated. Restorative practices are central to our handling of disciplinary matters.

The goal of discipline is not punishment, but rather changed behavior. It is expected that students and families will respect and work with teachers so that few discipline cases are referred to the administrator. In cases where the unacceptable conduct does not change, referrals will be made to the LMMS principal. Restorative conferences may be used to repair harm caused by unacceptable behavior. Student mediation and negotiation strategies are also encouraged as methods for solving problems. In all cases, it is important to respect the dignity of the individual through due process.

A school administrator may suspend a student for any behavior that damages or threatens to harm our school community, or when suspension is otherwise determined to be in the best interests of the student/s and school community. Examples of such behaviors include, but are not limited to:

- Violence (physical and verbal, including bullying).
- Actions involving injury to persons or destruction or misuse of property.
- Violation of local, state, or federal laws.
- Use or possession of weapons.
- Use, possession, or being under the influence of tobacco, alcohol, vapor products, or illegal drugs or substance on campus and at off-campus school functions.
- Abuse of legal drugs.
- Truancy from school or classes.
- Accumulation and continuation of minor offenses.
- Other conduct that is disrespectful to persons or disruptive of the educational process.

The school's response to disciplinary matters may include a community service assignment, restorative conference, detention, development of a plan to change behavior, fine, suspension, writing thinking papers, etc. Restorative conferences may be used to repair harm caused by poor/unacceptable choices. In all cases, the goal is maintaining a positive school climate and enabling individual growth. Being a student at LMMS is a privilege that is based upon meeting expectations.

The school will respond to out-of-school behavior when it affects in-school behavior, has a negative effect on other students, interferes with the school's operations, or violates the standards of conduct the school expects of its students. If a student experiences an arrest or conviction, the school will conduct a review of the situation, including the student's enrollment status and conditions of enrollment.

Expulsion: When restorative measures have failed, the student or family is uncooperative or if the presence of the student in school is deemed inadvisable, or the student has violated law and the family has not withdrawn the student, administration reserves the right to expel the student.

### **Detention**

Detention is held most Tuesdays and Thursdays after school from 3:15 p.m. to 4:00 p.m. Once scheduled, detention dates cannot generally be changed. Students who fail to report to an assigned detention will meet with an administrator to develop a plan for changed behavior that may include additional detentions, a fine, suspension, or other actions deemed appropriate in the school's discretion. Cellphones and other electronic devices are not permitted to be used during detention.

## **Discrimination, Harassment and Bullying**

### **Bullying**

#### **Definition**

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting or where the behavior directly impacts the school setting, that is severe, persistent or pervasive and has the effect of doing any of the following:

- Substantial interference with a student's education.
- Creation of a threatening environment.
- Substantial disruption of the orderly operation of the school.

Bullying, as defined in this policy, includes cyberbullying.

**Forms for reporting:** Discrimination, Harassment or Bullying and Racial Incidents reporting forms are available in the high school office or from the guidance counselor.

Lancaster Mennonite admits students of any race, color, national origin, ethnic origin or gender to all the rights, privileges, programs and activities generally made available to students at the school. LM does not discriminate on the basis of race, color, national origin, ethnic origin or gender in administration of its educational, admissions, scholarship, loan, athletic and other school-administered programs and policies. Any discrimination or harassment based on race, color, national origin, ethnic origin or gender is strictly forbidden and will not be tolerated. Any allegation of harassment or discrimination will be promptly investigated.

If a student suffers any such harassment or discrimination by another student, a staff member or faculty member or knows of such harassment or discrimination, the student or the student's parents/caregivers should report such conduct immediately to a teacher and/or the campus principal and fill out a bullying, discrimination or harassment form. All such reports will be investigated promptly by the school. If the school determines that bullying, harassment or discrimination has occurred, the offending student, staff member or faculty member will be subject to disciplinary action as determined by the school.

### **Appearance and Dress Code Expectations**

LMH desires that students come to school in clothing that celebrates human dignity and is appropriate for our school context, creating a positive, professional educational atmosphere. Our dress code is designed to ensure that all students are respected. Just as certain jobs and professions maintain certain expectations for dress, so, too, does LMH.

- Hats, hoods, sunglasses may not be worn during the school day.
- Camouflage and distinctive military clothing may not be worn.
- Footwear must be worn at all times. Certain classes may require particular footwear to ensure student safety.

Students who do not follow the dress code may be asked to change clothes or remove accessories. If the student does not have appropriate clothing in which to change, a parent/caregiver may be asked to provide it. The school may also provide clean alternatives when possible. Repeated dress code infractions may result in additional consequences as noted below.

**First offense:** Student required to change, warning issued, parent contact.

Repeated Offenses will be managed at the discretion of the principal.

### **Lost and Found**

Items found on campus are to be turned in to the office to be placed in the lost and found box.

### **Technology Acceptable Use Policy**

- Lancaster Mennonite School recognizes that educational technology provides a valuable resource for students. The use of this tool requires both district-provided safeguards and student responsibility. To the best of its ability, LMS provides a safe, secure technological environment for students in compliance with state and federal blocking and filtering regulations. Realizing the blocking and filtering software/hardware alone provides a false sense of security, LMS contends that students must obtain the skills necessary to responsibly navigate Internet usage and be held accountable for their behavior.

- It is important to note that the services and resources provided by LMS are not the same as private home internet accounts. Students should have no expectation of privacy. Therefore, LMS has the right to monitor, delete, and access all viewed, verbal, written actions performed or logged on its systems. Furthermore, LMS considers any violation of this Responsible and Acceptable Use Policy to be a significant matter and reserves the right to limit, refuse or revoke access to its technology resources.
- The Lancaster Mennonite School's Responsible and Acceptable Use Policy applies to all technology resources including, but not limited to cell phones, tablets, personal laptop computers, school computers, audio and video equipment, networks, and storage devices. LMS students are expected to use school resources in an ethical, moral, and legal manner.
- All LMS technology systems and information accessed, transmitted, and stored on them are governed by school policies and are subject to administrative supervision and inspection. LMS reserves the right to monitor, access, retrieve, read and disclose all messages and other information created, posted, accessed or stored on its system without prior notice. School administrators may confiscate any electronic device from students suspected of being in violation of the Responsible and Acceptable Use Policy. Any student who violates this policy is subject to loss of technology privileges, disciplinary action, including but not limited to suspension and expulsion, and legal prosecution.

### **Media Center**

Students using the media center are expected to maintain a quiet atmosphere at all times. The media center is open from 7:50 a.m. to 4:00 p.m. on school days. Materials taken from the media center must be signed out.

Such materials should be returned promptly so they will be available to others. All materials are to be returned to the "book drop" at the circulation desk.

### **School Lockers**

Lockers are the property of the school and can be searched. Students are responsible for the security of anything of value that is brought to school. Students are assigned individual lockers. For reasons of health and safety, students are responsible for the locker assigned to them. Combination locks may be rented for a \$10.00 fee. No outside locks may be used on the lockers. Fees are refundable when locks are returned.

### **Visitors**

Prospective LMS students are encouraged to visit the school. Students wanting to bring a visitor, and visitors themselves, must bring written permission from their parents. All visitation must be arranged in advance. Visits can be scheduled through the Admissions office or the main campus office. Visitors cannot be accepted the last week of each semester.

### **Study Halls**

Study halls exist for the purpose of individual study. Students are assigned a seat for study periods. There is to be no communication among students without permission. Students shall return to the study hall before the end of each period. Cell phones and electronic devices are not permitted.

## Health

- Parents should not send children to school who exhibit the following: a temperature of 100 degrees or greater, a generalized body rash, an inflamed eye with drainage, head lice or nits (remaining after treatment of lice), strong cold symptoms, or vomiting or diarrhea since the evening before school. Students should be fever-free for 24 hours before coming to school. Parents should email the office or call and leave a message when a child is at home ill.

This includes over-the-counter medicine such as Tylenol, cough syrup, etc. Medication Consent Forms can also be found on the website at [www.lancastermennonite.org](http://www.lancastermennonite.org) – click on the appropriate campus – My Campus Info – Medication Consent Form.

- A nurse from the public school district serves the campus in its district. All students receive height, weight, and vision screenings once a year from the nurse.

### **Please follow the school wellness policy/guidelines listed below for refreshments for school parties and birthday treats.**

- Classroom parties may offer minimal amounts of foods with one item that contains added sugar (i.e. mini cupcakes, doughnut holes, small serving of cookies, brownies, mini candy bar or a small serving of ice cream or popsicle). These sugar treats should be limited to special occasions such as a birthday treat. Two healthy foods should accompany a sugar-added treat.

This handbook is not a comprehensive listing of school rules, expectations and policies, but rather a summary of some of the rules and policies for your convenience. Please refer to the Policy Manual posted online for more complete rules and policies. LM reserves the right to interpret and apply, modify or adopt, with or without notice, its rules.
