Welcome!

From Our Superintendent

Welcome to the Lancaster Mennonite campus and the 2021 soccer season. We value athletic competition and cooperation between schools evident in the Lancaster-Lebanon League. Today's soccer game provides an opportunity for soccer teams to compete and for students, family, friends from each school to cheer their respective team while enjoying friends and neighbors.

Soccer games and the sportsmanship taught by our schools teach life lessons of competition and mutual respect. It is our prayer that today's competition will honor God and the gifts of athletes, wisdom of officials and coaches, and care of parents.

May we enjoy the spirit of healthy competition that benefits all athletes on the field.

—Pam Tieszen, Superintendent

From Our Principal

Welcome to Lancaster Mennonite School, the home of Blazers! We strive to create a delightful athletics experience for students, parents, families and guests. Our Blazers athletes are driven in their sportsmanship. Thanks to the athletic department team, parents and guardians who serve student-athletes in many different ways.

As an LM parent mentioned at a recent game, "the LM team invests in the character growth of students even on the field during games." Academically, our students are encouraged towards excellence as well. As it is in sports where teams experience ups and downs, we are hopeful about the opportunities in this school year. Thank you for your valuable presence at the games, your continued support for the Blazers and LM.

—Dr. Michael Badriaki, Principal

From Our Athletic Director

Welcome to Lancaster Mennonite School. We are privileged to have you as our guests for this athletic event.

Co-curricular activities are an important part of the student's total educational experience, and we are excited to have you be a part of it. We encourage you to be positive in support of the athletes and officials as they bring their long hours of preparation to the field of competition.

We hope you enjoy your time on our campus and thank you for supporting our student athletes.

—Marvin Sanders II, Athletic Director

Soccer Club Mission Statement

The Lancaster Mennonite Soccer Club exists to support Lancaster Mennonite administration, the athletic department and the soccer coaches in the development of the Lancaster Mennonite soccer program by providing resources, coordinating efforts of parents and alumni, and encouraging coaches and players to keep soccer in a proper perspective consistent with our disciplines of the Christian faith.

Brent Nauman Endowment for an Athletic Trainer

Brent Nauman graduated from Lancaster Mennonite School in 1991. Soon after graduation, Brent was killed in a motorcycle accident. Teammates and classmates of Brent started the Brent Nauman endowment so that they would have a way to express their love for Brent, and to celebrate all that he was in the short time he was with them.

The purpose of the Brent Nauman endowment is to provide an Athletic Trainer for student athletes at Lancaster Mennonite High School. A professional Athletic Trainer is an important part of a quality athletic program, providing first aid care and rehabilitation services for athletes. The Athletic Trainer also works closely with the coaching staff in the prevention and treatment of injuries. The goal of the endowment is to provide a full-time Athletic Trainer.
