# Welcome!

---

## From Our Superintendent

Welcome to Lancaster Mennonite! We value the spirit of athletic competition and cooperation between schools in the Lancaster-Lebanon League. Today's game provides an opportunity for both teams to compete and grow as student athletes. Fans from each school have an opportunity to cheer on their respective team while also relating to friends and neighbors on the opposing team.

Respect and sportsmanship develop through the discipline of skills preparation and competition. As fans and sport participants, we desire to demonstrate a Christ-like attitude on and off the field. Let us support each other in positive interactions and enjoy the spirit of healthy competition that benefits all athletes on the field. Have a great game!

*—Pam Tieszen, Superintendent*

---

## From Our Athletic Director

God bless and welcome to Lancaster Mennonite School! We are privileged to have you as our guests for this athletic event.

Even through the pandemic that we are experiencing, it is a blessing that we are all able to come together and watch our student-athletes compete respectfully and safely. Co-curricular activities are an important part of the student's total educational experience, and we are excited to have you be a part of it. We encourage you to be positive in support of the athletes and officials as they bring their long hours of preparation to the field of competition.

We hope you enjoy your time on our campus and thank you for supporting our student-athletes!

*—Marvin Sanders II, MS, Athletic Director*

---

## Soccer Club Mission Statement

The Lancaster Mennonite Soccer Club exists to support Lancaster Mennonite administration, the athletic department and the soccer coaches in the development of the Lancaster Mennonite soccer program by providing resources, coordinating efforts of parents and alumni, and encouraging coaches and players to keep soccer in a proper perspective consistent with our disciplines of the Christian faith.

### **Brent Nauman Endowment for an Athletic Trainer**

The purpose of the Brent Nauman endowment is to provide an Athletic Trainer for student athletes at Lancaster Mennonite High School. A professional Athletic Trainer is an important part of a quality athletic program, providing first aid care and rehabilitation services for athletes. The Athletic Trainer also works closely with the coaching staff in the prevention and treatment of injuries. The goal of the endowment is to provide a full-time Athletic Trainer.

---

## From Our Principal

Welcome to Lancaster Mennonite School, the home of Blazers! We strive to create a delightful athletics experience for students, parents, families and guests. Our Blazers athletes are driven in their sportsmanship. Thanks to the athletic department team, parents and guardians who serve student-athletes in many different ways.

As an LM parent mentioned at a recent game, "the LM team invests in the character growth of students even on the field during games." Academically, our students are encouraged towards excellence as well. As it is in sports where teams experience ups and downs, we are hopeful about the opportunities in this school year. Thank you for your valuable presence at the games, your continued support for the Blazers and LM.

*—Dr. Michael Badriaki, Principal*

# 2020 Season in Review

The 2020 season was one like no other as COVID-19 played a role with a later than anticipated start and an abbreviated schedule. Although the Blazers were disappointed with the overall results, the program was thankful for the opportunity to play and safety on and off the field. The 2020 Blazers tied for first in section 3 of the LL League and lost in the

play-in game for the Lancaster Lebanon League playoffs. The Blazers qualified for the District 3 playoffs finishing first in the power ratings but fell to Boiling Springs in the semi-final round. Congratulations to the 2020 side for prevailing in a challenging year to have another successful season.
