9-12TH GRADES

EDUCATIONAL EXCELLENCE

The high school offers a comprehensive curriculum with a strong college preparatory program that includes dual college enrollment and Advanced Placement courses. LM provides a focus on STEAM (Science, Technology, Engineering, Arts, and Math) with excellent opportunities in the arts, agriculture, business, family and consumer science, career training, and technology education. In addition, students are challenged with courses in the humanities and Bible that seek to cultivate global citizens who act as bridges of peace through their compassionate living.

VIBRANT SPIRITUAL LIFE & TEACHING

- Teachers authentically integrate Christian faith into all subjects
- Emphasis on a commitment to following the life and teachings of Jesus, including creating a culture of peacemaking, justice and service
- Chapel services and Bible classes

PASSIONATE, CARING TEACHERS

Our dedicated teachers equip students to grow, and also to make a positive impact on the world. Our qualified teachers hold certifications, bachelors degrees, or masters degrees. **The student-teacher relationship is at the heart of our programming** since their interactions and development of meaningful relationships helps to foster an educational climate that puts students at the center of all that we do.

LM ALUMNI HAVE GONE ON TO DO AMAZING THINGS!

Our students are provided a supportive environment to discover their strengths, and to grow academically, spiritually, socially, and physically to be prepared for college, career, service and the future.

- **100%** College Acceptance Rate of our students.
- Our students have been **admitted to top national and regional universities and colleges**, such as: Princeton, Columbia, Stanford, Amherst, New England Conservatory and more!
- LM alumni are **doctors, business owners, filmmakers, and world changers!**

FINE ARTS - VISUAL ART, MUSIC & DRAMA

LM values creative expression as part of the curriculum, and provides opportunities for all students to develop and nourish creativity and a deeper understanding of God and the world through visual art, drama and music. High school students have the opportunity to participate in the following:

- A variety of art and music classes, including ceramics and digital photography, and choir, guitar, voice and piano
- Several select and open chorale groups
- Drama productions each year, one of which is a musical
- Orchestra, concert band and jazz band ensembles
- Fine Arts Certificate for drama, visual art or music
- Advanced Studio Music Program for talented high school students (in cooperation with Millersville University)

PHYSICAL EDUCATION & CHAMPION ATHLETICS

We believe that physical movement is important to the holistic wellbeing of students. High schoolers have regular physical education classes. In addition, LM competes in the Lancaster-Lebanon League and regularly sends athletic teams to league, district and state playoffs. Students can participate in the following sports:

- | | |
|------------------------------|---------------------------|
| • Bowling | • Boys & Girls Volleyball |
| • Boys & Girls Basketball | • Boys Baseball |
| • Boys & Girls Cross Country | • Chess |
| • Boys & Girls Soccer | • Girls Field Hockey |
| • Boys & Girls Tennis | • Girls Softball |
| • Boys & Girls Track/Field | • Golf |

STUDENT ORGANIZATIONS & CLUBS

- | | |
|---|-------------------------------------|
| • Art Club | • National Honor Society |
| • Fellowship of Christian Athletes (FCA) | • Sewing Club |
| • Future Farmers of America (FFA) | • Sociedad Honoraria Hispánica |
| • Green Team | • Student Council |
| • International Student Association (ISA) | • Tech Crew |
| • Literary magazine (<i>Silhouette</i>) | • Ultimate Frisbee |
| | • Yearbook (<i>Laurel Wreath</i>) |

In addition to year-long student organizations, numerous short-term clubs for various interest groups are offered. Students also participate in Robotics and Quiz Bowl competition teams.

ACADEMIC & SUPPORT SERVICES

- A comprehensive, holistic guidance department helps students academically, socially, emotionally and spiritually
- The Academic Support program meets the needs of many students who require a program beyond the regular classroom, enabling students with learning exceptionalities to participate in regular education classes, electives and activities
- Weekly advisory groups for all students

TECHNOLOGY & DEVICES

Our classrooms are equipped with state-of-the-art technology. Each classroom has an interactive projector and incorporates use of various online materials into lessons. Students have access to Chromebooks, a Computer Lab and Media Center. Students are taught about digital citizenship through a media literacy curriculum that helps them to learn safe, smart interactions online.
