MULTIPLE RIDERS FAMILY DISCOUNT: (K-12 & ANNUAL RATE ONLY)

- Multiple riders from the same family will receive a discount to the annual rate
- Second child - 25% discount on that child
- Third child - 50% discount on that child

Must have a minimum of 7 full-time riders to operate these routes. **Must register by March 1 to reserve your spot and to guarantee a seat.*

PAYMENT: Annual transportation is billed over ten months (August-May) through your FACTS account. Per trip transportation is billed monthly by the Business Office for the total number of trips made each month through your FACTS account.

NOTES: Annual option guarantees a seat. Families who choose the per trip option should always confirm seat availability with the driver before leaving a child at a bus stop. Please note that your riding option cannot be changed during the school year because rates are pre-determined and drivers are contracted based on the options that parents choose.

A deposit is not required for any route. If a family communicates that they are planning to use the transportation service, we will plan on them doing so based on their word.
