A note from the director...

Dearest audience,

Thank you for attending this very special middle school production! I have enjoyed watching these actors explore this story in a way I never imagined. All the 7th and 8th grade students have had a special job to make this production come to life.

I was first introduced to “Fantastic Mr. Fox” by my husband. He grew up laughing with the characters and instantly being drawn into the fantastical world that Wes Anderson created in the 2009 film. I became instantly fascinated with the story and the genius aesthetic of the film. I will always remember watching the film at the beach with my, now, nieces and nephew and seeing them fall in love with the story in the same way I did.

This production is for them. The little loves I can now call family and how they have created an aunt in me that I never knew I could be. For Micah- thank you for reminding me that what we do onstage is so special. Thank you to their Uncle Grant who showed me the world in a new way.

Thank you to my parents who took me to countless rehearsals, voice lessons and shows inspiring what you see today. I couldn't have done this without you.
