

EIN: 23-1501198

Hello,

Lancaster Mennonite is excited to host our Spring Celebration: Auction & BBQ on April 27, 2024! The mission of LM is to provide PreK-12th grade education in a diverse community that nurtures students to become creative and innovative learners who are prepared for college, career and life. Here, students learn how to live and serve beyond themselves so they can engage in work that will have a lasting impact on society.

Would you consider sponsoring our event or donating an item for our Live or Silent Auction? Your support makes it possible for us to raise the next generation of world changers.

We are so thankful for your kindness to our students and how you are investing in our community. If you are interested or have additional questions, feel free to contact Bekah Thrush, Event Coordinator, at [events@lancastermennonite.org](mailto:events@lancastermennonite.org) or at 717-740-2460. We look forward to making a lasting difference together!

Sincerely,

**The Lancaster Mennonite Development Team**
