SUPERINTENDENT'S LETTER

TO THE LANCASTER MENNONITE COMMUNITY,

I want to express my heartfelt gratitude to our community of students, employees, families, churches, businesses, board members, alumni, and constituents for your ongoing support and commitment to Lancaster Mennonite School's (LM) mission to provide a high-quality, Christ-centered education.

Over the past 80 years, LM has served students emphasizing the love of Jesus and fostering a learning environment where every student feels cherished and valued. Due to our long-term commitment to educational excellence, we embarked on a collaborative journey to develop a strategic plan that embodies continuous improvement and guides our actions over the next three years.

This strategic plan is a dynamic document that outlines our strategic goals in six key standards. Through teamwork, we have developed strategic goals and Key Performance Indicators (KPIs) to ensure that our strategic plan remains vibrant and responsive to the evolving needs of a unified campus.

The strategic plan reflects and encompasses LM's mission, vision, and values, and incorporates valuable feedback from our community and other data sets. It serves as a roadmap to inspire and support every student in reaching their full potential holistically.

This document is a brief overview of the plan. We have detailed action steps for each team along with a timeline that will move us toward these practices and strategic priorities. If you are interested in getting a detailed copy, please let me know.

Please keep LM in your prayers as we embark on this transformative journey over the next three years, witnessing the realization of our strategic plan's goals. And we trust in God, in Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be the glory for ever and ever (Ephesians 3:20-21)!

With gratitude and anticipation,

Dr. Michael Badriaki
Superintendent
